QUALITY MANAGEMENT SYSTEM POLICY

3A Composites PNG Ltd. is committed to:

-Fully satisfying our Customers and Legal Requirements, becoming ISO 9001:2015 certified and maintaining our FSC Certifications.

-Striving to achieve the goal of excellence through continual improvement.

-Manufacturing and delivering cost effective, defect free products to international standards.

3A Composites PNG Ltd. also has a commitment towards improving the quality of life for its employees, both within and outside its plant and office. The Company will achieve this through improved work and safety practices, providing training and social welfare schemes.

The Company and top management will endeavour to achieve the objectives of the Quality Policy whilst protecting the environment, heritage and culture of the local region.
